Driving Touring Adventure for the Monaco Grand Prix 2021 - 15th - 23rd May, 2021

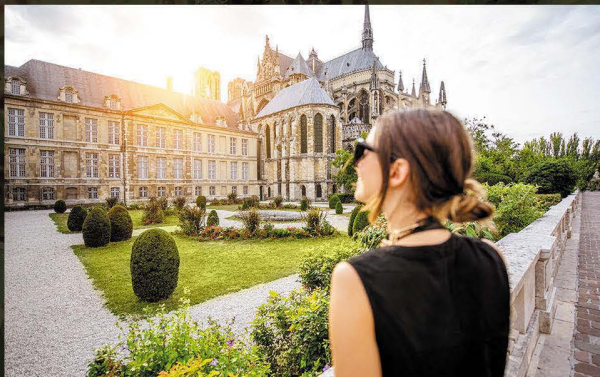

A trip of a lifetime! Drive through France in a luxury sports car to experience the thrills and spills of the Monaco GP.

Saturday 15th May – Stay in a four-star purpose-built hotel, close to the Eurotunnel that has everything you need for a relaxing stay. Unwind in the spa and health club, enjoy a meal in the brasserie style restaurant and have a great night's sleep - before embarking on your adventure across the channel for what is reputed to be the ultimate Grand Prix Experience.

Sunday 16th May – Set off in the morning through the Eurotunnel to Calais and then off on the road to the historic town of Reims. This city in Marne is the unofficial capital of the Champagne wine region and (purely by coincidence) we have arranged a Champagne house visit so you can experience an exceptional tasting tour!

Monday 17th May – An excellent driving day from Reims to Annecy, staying at the lovely 4-star Hotel; is ideally located at the edge of Lake Annecy, in the middle of a wooded park. This promises you a visit not to be forgotten and there are also plenty of excellent restaurants nearby!

Tuesday 18th May – Another great day on the road awaits from Annecy to Jausiers, which takes you through the Cols (snow dependent) and arriving in Jausiers. We will be staying at a 4-star Chateau Hotel built in the heart of a closed park of 1 hectare, with a stunning 360° view of the surrounding mountain.

Wednesday 19th May:

Jausiers to Nice 4* hotel for 15:00 - (Gold/Diamond Package).

Jausiers/Digne loop day, Savigne-le-Lac for lunch, etc. - (Silver Package).

Thursday 20th May - Jausiers to Nice 4* hotel for 17:00 - over the cols (snow dependant)
- (Silver Package).

Fabulous Balcony Views To Enjoy All The Action!

Thursday viewing* from a 44m Superyacht in the harbour (worth over €20 million) with a champagne, beautiful buffet lunch, 3 decks to watch from and a hugely fun rib-ride to the yacht for practice.

For the weekend we have our very own Petrolheads terrace; with views of over half the track including; Sainte Dévôte corner (1st corner), the entire length of Beau Rivage as they disappear into Massenet, the Nouvelle Chicane, Tabac, Swimming Pool Complex and La Rascasse. All this with free flowing champagne, breakfast & lunch, an open bar of white, red & rose wine and local beers...spectacular end to this amazing driving Adventure.
